

Virtual Learning Enrollment Form

Hope Lutheran School is offering a Virtual Learning option for all Kindergarten through Eighth grade students, for trimester 1 and possibly into subsequent trimesters. The virtual learning model information explains the requirements and procedures for selecting this option for the coming school year. **Families requesting this option should submit this virtual learning enrollment form to Hope Principal Kristen Okabayashi no later than Monday, August 17, 2020.**

By signing this document, families signify the following:

- I have read and understand the procedures and expectations in this document.
- I understand all video recordings and live streaming are the sole property of Hope Lutheran staff and should never be recorded and/or shared, including on social media, due to curriculum copyright restrictions.
- I agree to provide my child(ren) with the additional items listed under school supplies, as applicable.
- I understand that as a parent I need to check Seesaw or Schoology on a regular basis (daily preferred) to ensure that my child(ren) are completing their work. I also will check in with my child(ren) to be sure they are attending live streaming sessions daily.
- I am committing my child(ren) to Virtual Learning for the entire Trimester 1 and understand that virtual learning may extend further into the school year depending on pandemic conditions.
- I understand that tuition policies and payments remain the same for virtual learning.
